I. INTRODUCTION AND ARGUMENT

On February 6, 2012, Defendant Laron Moore was sentenced in the above-captioned case. Defense Counsel requested in his Sentencing Memorandum that Laron Moore be given a judicial recommendation for admission to Residential Drug Abuse Program (“RDAP”). However, this issue was not specifically addressed at sentencing. Accordingly, based upon the Pre-Sentence Investigation Report (“PSR”), which indicated that Mr. Moore has struggled with substance abuse, Mr. Moore requests that his sentence be amended to include a judicial recommendation for admission to RDAP.

DATED this 16th day of February, 2012.
